EMPOWER YOUR PELVIC WELLNESS

Our Medical Specialist

Dr. Corey Smith, MD, MPH

Your go-to specialist for women's health

From addressing bladder and bowel leakage, offering minimally invasive hysterectomy via VNOTES or Robotic methods, to conducting infertility evaluation and treatment, and ensuring top-notch care during routine annual well-women exams. Need help with bladder/rectal prolapse, frequent UTIs, hormone imbalances, or contraceptive management?

Dr. Smith has got you covered. Prioritizing your health and well-being every step of the way.

Marcella Bramblett, APRN

With a passion for comprehensive care, Marcella brings a wealth of experience to Ozark Pelvic Health.

Facing gynecological concerns? Marcella is here to provide expert care for all gynecological issues. With a compassionate approach, she'll work alongside you to find the best solutions for your well-being.

Your comfort matters, and Marcella is here to help. She offers treatment options for stress and urinary incontinence, as well as heavy vaginal bleeding, empowering you to take control of your health and regain confidence.
